SKILLS

- Able to Build Relationships - I have the ability to work with difficult or unsatisfied customers and communicate with people well.
- Adaptable - I work well with a team or on my own, as well as learn and work quickly.
- Leadership - I'm a hard worker and follow direction well, and I'm able to give direction if needed.
- Multi-Tasking - I am capable of completing several tasks at once while helping customers and/or coworkers.
- Detail-Oriented - I am aware of the importance of details, and enjoy keeping things organized in order for things to run as efficiently as possible.
